Dear Parish Council

RE: BUS STOP IMPROVEMENTS & ENHANCEMENTS FOR 2019

We would like to invite all town and Parish Councils to submit their "wish list" for bus stop improvements and enhancements to be considered for the financial year 2019/20.

As in previous years, we are inviting parishes to discuss their requirements and submit any requests in writing. Your requests could be the need for a new bus shelter or simply a bus stop flag and timetable display case at an area currently used as an unofficial bus stop by local residents. Maybe a seat is required at an existing shelter or you would like to see an increase in public transport information within your parish. This is in addition to our regular maintenance programme and repairs, replacements or removals of damaged stops and cases. Any works being carried over into the new financial year will be separate to any new requests.

Please could any requests be submitted to me in writing (letter or email) by Friday March 29th 2019, and if you have any queries then please do not hesitate to contact me.

Yours faithfully

Mrs E Odabas
Transport Operations Manager
