Dear Sarah Gresty

Town and Country Planning (Environmental Impact Assessment) (England and Wales)
Regulations 2017: Regulation 17 Scoping Opinion
PROPOSAL: Scoping Opinion - Proposed extension to the existing stone quarry.
oby Lane Quarry Hooby Lane Stretton Rutland LE15 7QY

The Local Authority have received the above request for a Scoping Opinion on what would be required within an Environmental Impact Assessment (EIA) to support any future formal planning application for the proposed development described.

We are writing to let you know of this request simply as a courtesy. It does not require any specific comment or response from the Parish Council.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

Nick Hodgett
Principal Planning Officer
