Received by Clerk 26/4/19

Dear Sarah,

Unfortunately, our representative who was due to attend tonight's meeting has had a family bereavement and therefore is no longer available to attend.

Please accept my sincerest apologies for the short notice, however, I'm sure your members and Parishioners will understand the circumstances.

I will endeavour to make arrangements for a member of our team to visit a Parish Council meeting for a presentation in due course.

Once more, please accept my sincere apologies for any inconvenience caused.

Kind regards,

Adam
