Declaration of new High Sheriff of Rutland

On Thursday 11 April Inspector Siobhan Gorman and Sergeant Darren Richardson were privileged to attend the declaration of the new High Sheriff of Rutland, Margaret Allan Miles. It was a wonderful occasion and an absolute pleasure to meet the new High Sheriff as well as having the opportunity to say goodbye to the previous High Sheriff, Mrs Sue Jarron, and thank her for all the support we have received in the last year. We hope to continue our excellent relationship with the new High Sheriff over the next twelve months.

Rutland North and Rutland South Beats

April has seen an increase in the theft of number plates and theft from vehicles; especially those vehicles parked up in beauty spots and isolated locations around Rutland Water and associated villages. We are working closely with Rutland County Council who have provided funding for new signage aimed at

preventing offences from happening, as well as a strategic plan to catch the offenders red handed. We advise drivers not to leave any items on show in their car when parked. We suspect the offenders may even watch drivers place belongings into the boot of their vehicles, before breaking into them – so consider removing valuable items before your journey or placing them somewhere safe in the car before you get to your parking spot.

Uppingham latest

April has seen small pockets of anti-social behaviour including that of graffiti spray paint at the skate park at Tod's Piece.

Anyone with information about should get in touch with the beat team. Incidents such as this can be reported directly to us:
