Educating in Sport

Holiday Camps

We offer Dodgeball holiday camps during school half-terms. Dodgeball is an extremely energetic sport and the object of the game is to eliminate the opposition as quickly as you can by both throwing a ball and hitting them out or by catching an opposing player's throw.

It's enormous fun and parents always tell us how much enjoyment their children get out of the camps, along with this they learn:

- Teamwork
- Hand-eye coordination
- Communication
- Throwing & Catching
- Agility
- Awareness

Schools Provision

Eshelby Leisure have a history of providing high quality curriculum and extra-curricular activities, each one enriching the curriculum in every one of schools we work in partnership with.

“Eshelby Leisure have provided our school with outstanding provision since starting in August and we would recommend them to any school”

Our delivery, training and ethos is carefully planned with the help of Educational Specialist, who have developed sports leadership and assessment strategies.

Our unique target tracker provides you, your teaching staff and department leads with a host of benefits and essential information that will support the full breadth of PE and physical activity which takes place within the school environment.
