

The following crime has been reported to the police for Rutland North beat for September 2019: -

Burglary Dwelling	-	Thisleton
Theft	-	Langham, Ryhall
Theft from vehicle	-	Whitwell, A1 x 3
Assault	-	Great Casterton

The current issues identified for Rutland North beat are still looking at speeding and ASB. I am still in discussions with RCC to set up a Rutland Community Speed Watch scheme and will update further if there are any developments. Several villages in Rutland were part of the Leicester, Leicestershire and Rutland scheme and I would be very interested in hearing back from these villages if they would support the scheme.

Rutland North with Rutland South will be looking to open a new priority for Rural Crime this month and will be launching this very soon. This will include Wildlife crime as well as other crime with the night's drawing in. I would ask you all to remind your communities to check their outbuildings, sheds etc to ensure that they are locked and secure and if anyone is interested in marking their property I am more than happy to attend Village property marking events. If anyone would be interested please contact me directly to discuss further.

We have also launched the Safer Village Scheme through RCC and happily several of our villages on Rutland North after the Annual Parish Meeting at RCC signed up. This includes Market Overton and Greetham for the moment but there may be an opportunity for your village to sign up.

If you would like to discuss any of the above please free to contact me laurie.appleton@leicestershire.pnn.police.uk and follow us on Twitter @RutlandPolice or Facebook Rutland Police.

Many thanks
