Cyber Crime Information Session

In association with Leicestershire Police and Safer Internet Day

Monday 10th February 2020

13:00 – 15:00

Oakham Fire Station, South Street, Oakham, LE15 6BQ

Safer Internet Day helps to promote the safe, responsible and positive use of digital technology for people of all ages and computing abilities.

Home Instead are hosting an information session to inform, reassure, and educate about the dangers of internet usage and how to be safe with your personal data when online.

Would you like to book a place at this event? If so, please do get in touch:
