The final public consultation to take place around Rutland's draft Local Plan is now live. The Local Plan sets out planning policies for the Rutland area, as well as listing sites for additional housing, employment or other development for the period 2018 to 2036.

This consultation, known as a Regulation 19 Consultation, will give residents, businesses and other stakeholders the opportunity to comment whether the Local Plan meets the 'Test of Soundness' – whether the Plan is sound and has been prepared in accordance with all necessary legal and procedural requirements and is positively prepared, effective and is justified by the evidence.....

Regulation 19 consultation on Rutland's pre-submission local plan takes place over six weeks from **Thursday 27 August to Friday 9 October 2020**.

For anyone who is unable to access the consultation online, paper copies of the Local Plan documents will also be made available to view by appointment only at the Council's main Catmose office in Oakham.

A booking system will be in place to manage these appointments, taking account of the time needed to clean the viewing room between bookings.
