3. Historic England (formerly known as English Heritage)

- The Planning (Listed Buildings and Conservation Areas) Act 1990 (Section 8) requires that owners of Listed Buildings must:
 - i) Give Historic England notice of works for the partial or total demolition for which listed building consent has been granted.
 - ii) Allow access to the building for Historic England so that it may, if it wishes, make a record of the building before work begins.

 6. This consent does not grant or imply permission for any material change in the use of the building(s) to which it relates, nor for the redevelopment of the site of the building(s) after its (their) demolition.
