Dear all,

The following crime has been reported in December 2020 for Rutland North beat: -

Burglary	-	Market Overton
Vehicle Crime	-	A1 x 2, Market Overton
Public Order	-	Greetham, Ryhall
Assault	-	Thisleton, Stretton x 2
Criminal Damage	-	Whissendine, Greetham
Theft	-	Egleton

This month we have tried to go out into the community offering to sign up local residents to Neighbourhood Link and conducting surveys. These surveys are vital to identifying current issues that we will then address. I have sent out information about Neighbourhood Link and am happy to sign anyone up if they are able to provide me with the following information: -

Name  
House number/name  
Postcode  
Email address  
Contact number (optional)

If anyone would like to sign up please email me [laurie.appleton@leicestershire.pnn.police.uk](mailto:laurie.appleton@leicestershire.pnn.police.uk) . This will allow you to receive email alerts about incidents happening in your area and once you receive your email you can opt to what you want to know about.

Through this consultation we continue to tackle speeding and rural Crime. I am happy to say that after last month 4 burglaries were reported but we have conducted targeted High visibility patrols and this number has fallen to 1. If you see anything suspicious call either 101 or 999. If you are ever worried which to call the rule of thumb is if it is a crime in progress 999 but if it is not 101.

If you would like to speak to me about any policing issues in your area please contact me [laurie.appleton@leicestershire.pnn.police.uk](mailto:laurie.appleton@leicestershire.pnn.police.uk) many thanks
