

RUTLAND NORTH BEAT REPORT JULY 2021

Dear all,

The following crime has been reported to the police for Rutland North beat for July 2021: -

Assault Greetham	-	Exton, Great Casterton x2, Langham, Market Overton, Ryhall,
Theft Exton	-	Cottesmore x 3, Whitwell x 5, Great Casterton, Langham,
Theft from Vehicle	-	Ryhall, Essendine, A1 layby
Criminal Damage	-	Ryhall, Essendine
Public Order	-	Ryhall

We have noted last month there were 5 reports of thefts from boats at Rutland Water Whitwell site and we are working with Anglian Water to tackle this issue and adding a visible police presence in the area to prevent further thefts.

Rutland North beat priorities remain the same with Speeding, Rural Crime and Fraud being the 3 issues that our community have identified through consultation as their main concerns. We are always looking to engage with all of our villages and Di Freeman is looking to hold Beat Surgeries. If you have any up and coming events, coffee mornings or meetings that we can attend please contact Di diana.freeman@leicestershire.pnn.police.uk and she will look to arrange.

Equally if you would like your concerns heard and are willing to sign up to Neighbourhood link, an email alert system, from the police please email me laurie.appleton@leicestershire.pnn.police.uk with your name, house name/number, postcode and any issues and I will happily complete the survey and sign you up.

Many thanks

Laurie
