Dear Sir or Madam,

NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS A1 South Witham to Wothorpe - Southbound Carriageway

I'm writing to let you know that we'll be carrying out essential maintenance works on the A1 between South Witham and Wothorpe to the southbound carriageway.

During our comprehensive scheme of work, we'll:

- resurface the southbound carriageway and slip roads
- refresh road markings, road studs and traffic loops
- repair any necessary bridge joints

Once completed, all road users will benefit from improved road safety and a smoother driving experience.

When will the work take place?

Work is due to start on **Monday 24th July 2022** and is scheduled for completion by the **end of October 2022**.

Please note that all our planned works are subject to change due to weather conditions, significant events or unforeseen circumstances.

How will the work affect traffic?

To keep our workforce safe and the duration of these works as short as possible, minimising disruption to the local community, residents, businesses and road users, we'll work under full carriageway closures, as follows:

- **Monday to Wednesday, 9pm to 5am**
- **Thursday 9.30pm to 5am**
- **Friday 10pm to 5.30am**
- **Saturday 9pm to 7am**
- **Sunday, 10.30pm to 4.30am**

Some elements of the work to the exit and entry slips will require full weekend road closures, this will be confirmed nearer the time giving more precise timescales.

During these full road closures, we'll put in place fully signed diversion routes which have been agreed with the local authority.

How will the work affect businesses and residents?

We'll make sure that access to businesses and residences is maintained wherever possible. We'll also have a dedicated Public Liaison Officer on hand to answer any questions.

We apologise for any inconvenience this essential maintenance work causes and will do our very best to complete the job as quickly as possible, keeping disturbances and noise to a minimum.

Contact us

If you have any questions about this work, please contact our dedicated Public Liaison Officer, Leanne Gibson, as follows:
